28th February 2023

'**The Arran Crochet Group**' is amongst the first group of benefactors from The Auchrannie Charitable Trust (The ACT).

The trust have awarded a small grant of £250 towards the purchase of books, wool and crochet hooks.

The group aims to bring together those on the Island who wish to learn to crochet or enhance crochet skills, meet people, make new friends and just be able to get a heat and a cup of tea out with the house.

The group will meet regularly at Auchrannie, who are providing a meeting space to the group at no charge.

Kay McWilliam (Arran Crochet Group Organiser) said of the grant, "We very much hope this grant will allow to group to expand further. As well as allowing people to learn a new craft, the group will help people meet new friends and reduce social isolation in the community."
