Arran Junior Shinty Group delighted to receive grant from The ACT

10th March 2023

'Arran Junior Shinty Group' has been awarded a grant by the Auchrannie Charitable Trust (The ACT) to support coaching to the young people of Arran.

Regarded as Scotland's most historic sport, Shinty has been bringing rural communities together for hundreds of years.

The grant funding awarded will allow experienced coach Bobby Crow to work with the juniors for an initial period of 8 weeks.

The club will work towards building a competing team allowing the young people and their families to make connections with other communities both rural and urban through participation in leagues and competitions.

Gillian Frame (Arran Junior Shinty Group Committee Member) said of the grant, "We are delighted to receive support from The ACT to help with the development of the Junior Shinty Club. This support will enable us to engage with a highly experienced coach to deliver quality training to the young people of Arran"
