## Arran Community & Voluntary Service extends its lunch club with grant from The ACT

14th July 2023

**'Arran Community & Voluntary Service'** has been awarded a grant by the Auchrannie Charitable Trust (The ACT) to support its weekly lunch club over the summer.

The lunch club is staffed by volunteers aims to bring together older, socially isolated people in a warm friendly environment to socialise over a good meal.

The grant from the ACT will allow the club to operate on a weekly basis from June through to August this year.

In addition to financial support, team members from Auchrannie have also offered support to assist in running some of the weekly sessions.

**Sheridan Waldon (Development Officer, ACVS)** commenting on the support of the ACT said, "During the ongoing cost of living crisis, this funding means we can continue to support older people in our community by offering a free, nutritious meal in a warm & welcoming environment once a week."
